Adverting to the marginally noted Government Orders about the recovery of rent from the residential quarters at Sravanabelgola

G.7608-12/Med.220-31-6 dated 25-3-1933.
G.7511-30/Med.189-34-2 dated 8-2-1935.

I have the honour to forward herewith copies of letters received from the Executive Engineer, Hassan Division and the District Medical Officer, Hassan, from which it can kindly be seen that difficulty has arisen about the recovery of rent in the case of almost every one of the occupants of the quarters. The Executive Engineer contends that rent at usual rates should be recovered from 25-4-1933, and at the modified rates from 8-2-1935. But seeing that this question of the modification of the Government Order of 1933 was taken up soon after the order was passed, all the Executive Engineers were informed that the question of the recovery of rent from such buildings may be kept in abeyance until final orders of Government were passed on this office representation. No rent was accordingly recovered from the occupants till February 1935 when the subsequent and final order laying down the rules for levy of rent for donated quarters was passed by Government. The question can therefore be taken to be finally settled only from the date of the latest order and as similar claims (such as the one now made by the Executive Engineer) are sure to arise by application of the original order of 1933 and the subsequent order from that date, I request you to kindly issue suitable instructions so that the provisions of the Government Order 1935 may be considered as covering all arrear claims also

About the other point raised in the Executive Engineer's

4)

Engineer's letter i.e., the recovery of rent from the Surgery Cooly, I wish to state that in the first instance there is no mention of the recovery from this menial servant in any of the Government Orders referred to above. The Surgery Cooly is a menial servant in receip of a pay of Rs.8 or 9 and it would really be a hardship to insist upon the payment of a rent for the small habitation that is assigned to him. I request that the quarters for this servant, wherever provided, may be declared rent free

I solicit very early orders.

I have the honour to be,

Sir,

Your most obedient servant,

Letter No.822 dated 19-11-1935, from the Executive Engineer, Hassan Division, Hassan, to the Senior Surgeon in Mysore, Bangalore.

Subject:- Rent of the Medical Staff quarters attached to donated buildings etc.

I have the honour to state that on the issue of G.O.No.G.7511-30/Med. 189-34-2 dated 8-2-1935 on the above subject the question of recovery of rent for the staff quarters at Sravanabelgola was taken up with the District Medical Officer, Hassan who was addressed often for the recovery of the dues from the occupants of the quarters as detailed below:-

1.	Mr.A.J.D'Costa, present Sub Assistant Surgeon at Sravanabelgola	Rs.194-10-0
2.	Mr.Ahamed Sheriff at present in charge of Belagodu Dispensary	" 65-12-0
3.	H.Joganna, Compounder at present attached to Basavapatna Dispensary	" 32-9-0
4.	Adikalraju, present Compounder at Sravanabelgola	" 47-14-0
5.	M.Mariammal, Midwife at present attached to Gendehalli Dispensary	" 30-14-0
6.	Puttamma, present Midwife at Sravanabelgola	" 35-5-0.

Of the above items a sum of Rs.50-4-0 has been paid by Mr.Ahamed Sheriff leaving a balance of Rs.15-8-0 which was intimated for recovery only on 30-10-1935. It is hoped that this will be recovered as the Sub Assistant Surgeon has paid the amount first intimated without protest or delay. H.Joganna has also paid Rs.5/- in 10/35 leaving a balance of Rs.27-9-0 only on this date. The rest have not paid anything at all till this date and the question of recovery has been repeatedly urged for a long time. I request therefore that you will be so good as to issue necessary instructions in the matter of recovery.

Re: the Surgery Cooly occupying one of the Staff quarters at Sravanabelgo I write to state that the G.O.No.G.7608-12/Med.220-31-6 dated 23-4-1933 is not clear and it cannot be made out if it was the intention of Government to provide him with rent free quarter. I beg to request therefore that orders may kindly be obtained if he is to be exempted from payment of rent

The Sub Assistant Surgeon at Gendenalli, Belur Taluk is in occupation of the Government quarters but no rent is being recovered from him. The matter was referred to the District Medical Officer, Hassan who replied in his letter No. 1075 dated 1-10-1935 that the question has been referred to Government for orders which are not yet received.

received.

The Dispensary building at Hethur in Manjarabad Taluk which is also a donated building has quarters attached to it wherein the present Sub Assistant Surgeon, Compounder and Midwife are permitted to reside from 18-6-1932, 14-9-1933 and 10-5-1933 respectively but no rent is being recovered.

The donated building at Sukravarasanthe in Manjarabad Taluk has no residential quarters attached thereto, but the Sub Assistant Surgeon has been un occupation of the wards attached to the Dispensary building without payment of any rent.

Re: the quarters at Gendehalli, Hethur and Sukravarasanthe definite orders are necessary as to whether the recovery should be, made only from the present occupants or from all who were in occupation from the date from which the quarters were made available for occupation or only from the date of the G.O. dated 8-2-1935. I request therefore that you will be so good as to take up these cases and obtain definite orders.

Letter No.298 dated 22-11-1935 from the District Medical Officer, Hassan, to the Senior Surgeon in Mysore, Bangalore.

Re: Recovery of rent for the Medical Staff quarters attached to L.F. Dispensary, Sravanabelgola.

With reference to your kind No.C.676-1 dated 20th September 1935 directing recovery of rent on the above said quarters, I have the honour to state that the rent calculated and instructed by the Executive Engineer at 2½% of the Capital Cost of the building per annum subject to the maximum of 10% of the salary, has been arranged to be recovered. The Executive Engineer, Hassan has written me now in his No.654 dated 29/30th October 1935, copies of which are herewith submitted, that the rent has to be paid at 7½ of the capital cost per annum or 10% of the salary per mensem upto 8-2-1935 and at 2½ percent of the capital cost of the building limited to 10% of the salary, there-after as per G.O.No.C.7511-30/Med.189-34-2 dated 8-2-1935 and that the arrears of the difference of rent at the higher rate from 1-4-1933 to 8-2-1935, as detailed in his above letter might be recovered.

In this connection I like to bring to your kind notice that in the G.O.No.C.7608-12/Med.220-31-6 dated 25-4-1933 the donated medical buildings given for staff quarters were classed as rent paying quarters but the rate of recovering the rent was under contemplation vide kind No.C.1108-2 dated 22-11-1934 and the same was fixed at 2½% of the capital cost of the building per annum in your kind memorandum No.C.1108-4 dated 26-2-1935 and it therefore forms part of G.O. of 25-4-1933 supra. Further the rent has all along been recovered at 2½% of the capital cost and it will be very hard on the poor medical subordinates if the arrears of rent have to be ordered to be paid at the higher rate.

In these circumstances I request you kindly to arrange to have the Government Order of 8-2-1935 supra retrospective effect from 1-4-1933 or at least arrange for waiving the arrears of rent (difference at higher rate from 1-4-1933 to 8-2-1935 as detailed in the Executive Engineer's letter herewith submitted.

I am awating your kind orders in the matter.
